

BIKE TOUR: DALÍ'S LANDSCAPE & WINE

REMEMBERING HIS CHILDHOOD SUMMERS ALONG THE MEDITERRANEAN

The landscapes of Dalí: a cycle tour that will allow you to discover the land that inspired the work of Dalí.

Remembering the summers of his childhood along the Mediterranean Coast, Dalí recalled the Empordà and the rocky landscapes of Cape Creus, the inspiration that will guide his work. You will have the chance to visit the Dalí museum (Pubol and Figueras) and you will discover the landscapes that inspired Dalí: its lands, its gastronomy and also ... its wine.
